

Install An EV Charger & Receive Up To \$1500!

PLUG-IN ELECTRIC VEHICLE CHARGER REBATE PROGRAM

Reading Municipal Light Department is offering a Plug-in Electric Vehicle Charger Rebate to customers who install a Level 2 (240 volt) plug-in electric vehicle (EV) charger at their residence or business. Through this program, RMLD will reimburse customers for 50% of out of pocket expenses up to \$1500 per charger. Eligible expenses include charger purchase price and installation costs.

If you have any questions please contact the RMLD Resource Specialist at 781-942-6516

Program steps:

1. Purchase and install your new EV charger.
2. Fill out an EV Charger Rebate Application and submit the completed application along with all supporting documentation to: RMLD, 230 Ash St, Reading, MA 01867 or EnergyRMLD@rml.com.

Supporting documents include:

- Photo of the installed EV charging station
- Photo of the serial number on your charger
- Copy of your latest RMLD bill
- All charging station purchase and installation receipts

Program Guidelines:

- Applicant must receive electric service from RMLD.
- The EV charger must be installed within the RMLD service area.
- Applicant must submit all required documents listed above to be eligible for a rebate.
- The incentive offer is on a first-come, first served basis and is effective until funding is expended or the program is discontinued.
- Applicant understands and agrees that RMLD has the right to inspect the installed charger before the rebate is paid. Rebate may be in the form of an account credit or a check depending on the amount.
- Applicant agrees that they must be a customer in good standing.
- RMLD does not warrant, endorse or assume liability for the quality, performance or safety of the contractor and/or retailer or wholesaler. Performance of any product and acceptance of materials used is solely the customer's responsibility.
- Applicant is responsible for meeting all program requirements and for checking with Town governments and homeowner's associations (if any) regarding local conditions, restrictions, codes, ordinances, rules and regulations prior to installation.
- Applicant is responsible for obtaining all required permits from their town.
