# Reading Municipal Light Board of Commissioners

Regular Session 230 Ash Street Reading, MA 01867 January 27, 2010

Start Time of Regular Session:

7:30 p.m. 9:35 p.m.

End Time of Regular Session:

Attendees:

Commissioners:

Mary Ellen O'Neill, Chairman Philip Pacino, Secretary Ellen Kearns, Commissioner Richard Hahn, Vice Chair Robert Soli, Commissioner

Staff:

Vinnie Cameron, General Manager Robert Fournier, Accounting/Business Manager Jane Parenteau, Energy Services Manager Beth Ellen Antonio, Human Resources Manager Patricia Mellino, Operational Assistant Kevin Sullivan, Engineering and Operations Manager

Citizens' Advisory Board:

Arthur Carakatsane, Chairman

Opening Remarks/Approval of Meeting Agenda

Chairman O'Neill thanked Mr. Pacino and Mr. Cameron for attending the Reading and North Reading meetings regarding approval of the Twenty Year Agreement. She further thanked Mr. Hahn for all his effort at the RMLD T-Shirt Contest Award Ceremony.

Chairman O'Neill asked if there were any suggested comments or changes to the agenda. There were none.

#### Introductions

Chairman O'Neill introduced CAB Chairman Arthur Carakatsane and asked if the CAB has had a meeting since the November 30 meeting. Mr. Carakatsane stated that the CAB is trying to schedule one now and tentatively looking at Monday, February 8, but this is of course subject to change.

Chairman O'Neill asked Messrs. Cameron and Pacino if they could work out the schedule for the end of February and have a liaison from the Commission attend.

Mr. Pacino asked to be recognized for a moment of personal privilege. Mr. Pacino announced that he is a candidate for re-election for another three-year term. He has served in this position for the past twenty-three years and is hopeful that the voters will allow him to serve another three years.

Chairman O'Neill announced that the Town Election is on Tuesday, April 6, 2010 and that all nomination papers have to be in by the end of the day on Tuesday, February 16, 2010.

### Approval of December 16, 2009 Board Minutes

Mr. Hahn made a motion seconded by Mr. Pacino to approve the Regular Session meeting minutes of December 16, 2009 as presented.

Motion carried 5:0:0.

General Manager's Report - Mr. Cameron

Insurance Consultant Update

Twenty Year Agreement Town Extension Update

Mr. Cameron stated that two of the Twenty Year Agreement Town Extensions were completed.

One was the Town of Reading and the other was the Town of North Reading. Both Boards of Selectmen approved motions to extend the agreement at their meetings. Mr. Cameron stated that the two towns left, Lynnfield and Wilmington, both go to their Town Meetings for permission for their Selectmen to approve the extension.

#### General Manager's Report - Mr. Cameron

Mr. Cameron stated that he had sent a letter to the four Town Managers concerning the Green Communities Act and the Massachusetts Renewable Energy Trust (MRET). Mr. Cameron said that he would like to get the four towns together at a meeting and discuss this issue, bring them up to date, let them know the facts, as he understands them so that everyone is on the same page.

## **Insurance Consultant Update**

Mr. Cameron stated that Ms. Kearns had asked Mr. Cameron to report on the Insurance negotiations. Mr. Cameron explained the process the RMLD uses to procure its insurance policies.

### Financial Report, December 2009 – Mr. Fournier (Attachment 1)

Chairman O'Neill noted that the complete reports for the periods ending November 30, 2009 and December 30, 2009 are in this month's Board books.

Mr. Fournier reported on the financial highlights for December.

Mr. Fournier reported the results of the first six months ending December 31 are positive. The full financial impact of Gaw Substation is still an ongoing situation.

Mr. Fournier reported for the month of December that the RMLD had a net negative change in assets resulting in a net loss of about \$1.2 million thus decreasing the year to date net income for the first six months down to about \$1.4 million.

Mr. Fournier stated that the budgeted net income for this period was about \$1.5 million resulting in net income being under budget by about \$100,000 or 5.8%. Of the \$1.4 million net income, \$1 million is attributable to fuel revenue exceeding fuel expense.

Mr. Fournier reported that revenue projections were reforecasted from the original budget using actual figures for the first six months and the projected budget figures for January through June. The new projections are included in a revised six-year plan included at the end of the monthly financial report.

Mr. Fournier reported that purchased power base expense was about \$300,000 or 2.1% over budget, actual purchased power costs were \$14 million compared to the budgeted \$13.7 million, the Operating and Maintenance (O&M) expenses combined were under budget by \$330,000 or 6.1%, actual O&M expenses were at \$5.1 million compared to the budgeted amount of \$5.4 million. Mr. Fournier stated that the major expenses under budget are the energy audit expense and conservation by about \$141,000, garage and stockroom \$60,000 and professional services \$80.000.

Mr. Fournier stated that the depreciation expense and voluntary payments to the Towns were on budget.

Mr. Fournier reported that the Operating Fund balance is at just below \$6 million, Capital Funds balance is at \$5.5 million. Rate Stabilization Fund balance at \$5.2 million, and Deferred Fuel Fund balance is at \$2.5 million.

Mr. Fournier reported that kWh sales continue to lag behind last year's actual figure by 21.3 million kWhs or 5.8%.

Mr. Fournier stated that the RMLD had sent out an RFQ for the Pension Trust and for the Actuarial Study to be performed this year. Mr. Fournier reported that the RMLD is waiting to get the results back and have asked that the presentation be made at the end of May or early June and it will have the contribution amount number prior to the end of this fiscal year.

Mr. Fournier reported that the upcoming budget season was discussed earlier in the day at the General Manager's Staff meeting and the budget process for FY2011 has started.

Mr. Fournier reported on that all five divisions were under budget by about \$342,000 or 3.8% and that the fuel charge remains unchanged in December at 6.15¢.

Discussion followed.

# Power Supply Report, December 2009 – Ms. Parenteau (Attachment 2) Reforecast Update

Ms. Parenteau reported on the highlights for December 2009.

Ms. Parenteau reported that for December the RMLD's load was at approximately 62.2 million kWhs and that was an increase of about 1% when compared to December 2008. Energy costs were at \$3.96 million and equivalent to 6.4¢ per kWh, the fuel charge adjustment in December was set at 6.15¢ per kWh and the kWh sales totaled 51.6 million kWhs. As a result the RMLD under collected by approximately \$817,000 and that resulted in a deferred fuel cash reserve balance of approximately \$2.5 million which is in line with the range which the Board has set of \$2.5 to \$2.9 million.

Ms. Parenteau reported that Energy Services submits DPU filing for the calendar year as well as the fiscal year. The 2008 calendar year filing indicated that the average fuel charge the RMLD ratepayer paid was about 8.2¢ compared to 6.2¢ in calendar year 2009 so there was about a 24% decrease in the fuel charge paid by RMLD customers in that period.

Ms. Parenteau reported that the RMLD purchased about 29.4% of its energy requirement from the ISO New England spot market and that price was equivalent to about \$58 per Mwh.

Ms. Parenteau stated on the capacity side the RMLD hit a peak demand in December of about 113 MW on December 21 at 7:00 p.m.

Ms. Parenteau stated that the RMLD requirement for capacity for December 2009 was 245 MW and overall the RMLD paid \$1.7 million for capacity and that is equivalent to about \$7.21 kW month.

Discussion followed.

Chairman O'Neill requested that a Smart Grid initiative be included as an agenda item at the next meeting of the Power Contracts, Rate Setting, and Green Power Committee meeting.

# Engineering and Operations Report, December 2009 – Mr. Sullivan (Attachment 3) Gaw Update

Mr. Sullivan reported on the Gaw substation project and soil remediation updates.

Mr. Sullivan reported that the Gaw Transformer Upgrade Project graph shows \$101,000 for the month, bringing cost for the first six months of FY2010 to \$1.6 million. Big ticket items for the month were contract labor at \$64,000 and RMLD labor at \$31,000.

Mr. Sullivan reported on Schedule Milestones.

Mr. Sullivan stated that some changes were made and that the Construction Contractor percent complete went from 35% to 65%. Mr. Sullivan stated that the foundation extensions around new 110B and the installation of the oil water separation system piping were completed. Mr. Sullivan reported that left to do for the contract is to finish foundation extensions around 110A, finish the oil water separation system completely, place concrete for and erect a firewall behind the station and finish the sound wall around 110B.

Mr. Sullivan reported on more Schedule Milestones under Construction Switchgear Upgrades. Mr. Sullivan stated that the upgrades went from 0 to 15%, based on the approval drawings being reviewed and changes made by PLM, and Construction by RMLD Personnel went from 70 to 75%.

Mr. Sullivan reported on Tangible Milestones.

Mr. Sullivan stated that the only change is the Switchgear Upgrade. Approval drawings were looked at by PLM, review and changes made.

Mr. Sullivan reported on the Capital Plan and the Reliability Report.

Discussion followed.

## Engineering and Operations Report, December 2009 - Mr. Sullivan (Attachment 3)

Mr. Sullivan stated that as far as the PCB Project is concerned, the soil remediation expenses as of January 20, is \$572,220, and soil sampling on the project should end on January 29. The analysis and remediation plan was developed and sent to the U.S. EPA and should be done by the end of February. The EPA has a 30-day window to respond to the RMLD which will bring it to approximately March 28, and if the remediation plan is approved by the EPA, soil remediation can begin on April 1.

Mr. Sullivan stated that for the month as in the previous month the RMLD has an elevated Customer Average Interruption Duration Index (CAIDI). Mr. Sullivan explained that the RMLD uses the rolling average. Mr. Sullivan stated that there were a couple of snowstorms early in December that really increased this number. The RMLD is at 40.62 minutes which really isn't much of a change over last month, restoration maintains at 25.3 minutes better than the industry average based on the method the RMLD is currently using however, this will change next month.

Mr. Sullivan reported that the System Average Interruption Frequency (SAIFI) was at .52 outages for the year using the rolling average. Mr. Sullivan stated that the Months Between Interruptions (MBTI) is high at 1.12 and for November the RMLD is at twenty-five months between interruptions and in December at twenty-three months between interruptions.

Mr. Sullivan reported on statistics for December.

# M.G.L. Chapter 30B Bid

IFB 2010-05

# **HVAC Preventative Maintenance and Repair Services**

Mr. Pacino made a motion seconded by Mr. Hahn that bid 2010-05 HVAC Preventative Maintenance and Repair Services be awarded to DNS LLC d/b/a Alpha Mechanical Services for \$178,518.00 as the lowest qualified bidder on the recommendation of the General Manager. (This is a three year contract.)

Motion carried 5:0:0.

Mr. Cameron stated that the Department received three bids but did not choose the lowest bidder because the lowest bidder was non-responsive to the bid in three areas. Mr. Cameron said that the next highest bidder was Alpha Mechanical and that is who the Department is presently using. The difference in the bids was about \$2,500, which is less than 2%, thus the General Manager recommended that the bid be awarded to Alpha Mechanical for the next three years at the bid rate. Mr. Cameron stated however, Renaud, the lowest bidder, last Thursday filed a bid protest with the Attorney General's Office because they believe they were responsive to the bid. Mr. Cameron stated that the Attorney General's Office has set a hearing for next Monday, February 1, 2010. Mr. Cameron said that in the past when there was a bid protest and the bid was brought to the Board, it was recommended that the Board vote for the recommendation but that the contract would not be awarded until such time as the bid protest has been ruled upon by the Attorney General's Office.

Discussion followed.

### General Discussion

Chairman O'Neill asked Mr. Cameron to invite the Reading Cities for Climate Protection Committee to report or make a presentation at the Board's February 24 meeting.

Mr. Soli said that in January he had returned from an Antarctic cruise during which a Professor of Geology talked about the melting of glaciers and ice throughout the world. Mr. Soli said the professor stated if the ice from the Greenland glaciers got into the oceans, the oceans would go up 23 feet and that if all the Antarctic glaciers and ice melted, sea levels would rise 187 feet.

Mr. Soli commented that he wanted to make a pitch for conservation because all of what we are doing and the climate change is leading to future possible problems. Mr. Soli asked that we all try to conserve.

### BOARD MATERIAL AVAILABLE BUT NOT DISCUSSED

Rate Comparisons, January 2010

## E-Mail responses to Account Payable/Payroll Questions

Chairman O'Neill stated that rate comparisons, and email responses to the payroll and account payable questions are in the book.

### **Upcoming Meetings**

### Wednesday, February 24, 2010 RMLD Board Meeting

Mr. Carakatsane stated that the night of February 24 is when he and Mr. Cameron will be returning from the APPA Legislative Rally in Washington, D.C.

Mr. Cameron stated that barring any unforeseen weather conditions he will be back in time for the meeting.

Mr. Pacino stated that he will not be attending the February 24 Board meeting.

# Wednesday, March 24, 2010, RMLD Board Meeting

#### **Executive Session**

At 8:48 p.m. Mr. Pacino made a motion seconded by Mr. Hahn that the Board go into Executive Session to discuss strategy with respect to collective bargaining and litigation, Chapter 164 Section 47D, exemption from public records and open meeting requirements in certain instances, and return to Regular Session for the release of Executive Session minutes and adjournment.

### Motion carried 5:0:0.

Mr. Pacino, Aye; Mr. Hahn, Aye; Chairman O'Neill, Aye; Ms. Kearns, Aye; Mr. Soli, Aye.

The Board re-entered Regular Session at 9:30 p.m.

#### Release of Executive Session Minutes

Mr. Pacino made a motion seconded by Mr. Hahn that the Reading Municipal Light Board of Commissioners approve the release of the Executive Session meeting minutes, as redacted, for January 19, 2005, February 16, 2005, March 16, 2005, April 20, 2005, May 18, 2005, June 1, 2005, June 15, 2005, July 13, 2005, August 21, 2005, November 16, 2005, December 6, 2005 and December 14, 2005.

Motion carried 5:0:0.

# Motion to Adjourn

At 9:35 p.m. Mr. Hahn made a motion seconded by Mr. Pacino to adjourn the Regular Session. **Motion carried 5:0:0.** 

A true copy of the RMLD Board of Commissioners minutes as approved by a majority of the Commission.

Philip Pacino, Secretary RMLD Board of Commissioners

Dt: December 29, 2009

To: RMLB, Vincent F. Cameron, Jr., Jeanne Foti

Fr: Bob Fournier Major 19165

# Sj: November 30, 2009 Report

The results for the first five months ending November 30, 2009, for the fiscal year 2010 will be summarized in the following paragraphs. Overall, the year to date results are positive. The full financial impact of the GAW Substation incident is still unknown.

# 1) Change in Net Assets or Net Income: (Page 3A)

For the month of November, net income or the positive change in net assets was \$182,340, increasing the year to date net income for the first five months to \$2,565,440. The budgeted net income for this period was \$2,308,148, resulting in net income being over budget by \$257,292, or 11.1%. \$1,807,000 of the \$2,565,440 net income is attributable to fuel revenues exceeding fuel expenses. Revenue projections were reforecasted from the original budget for the period from November, 2009, through June, 2010.

# 2) Revenues: (Page 11B)

Base revenues were under budget by \$166,505 or 1.0%. Actual base revenues were at \$16.8 million compared to the budgeted amount of \$17.0 million. The commercial/industrial sectors were responsible for the shortfall.

# 3) Expenses: (Page 12A)

\*Purchased power base expense was \$207,426 or 1.8% over budget. Actual purchased power base costs were \$11.7 million compared to the budgeted amount of \$11.5 million.

\*Operating and Maintenance (O&M) expenses combined were under budget by \$517,600 or 11.6%. Actual O&M expenses were \$3.9 million compared to the budgeted amount of \$4.4 million. The major expenses that were under budget are energy audit expense and conservation (\$138,000), overhead maintenance (\$47,000), garage and stockroom (\$60,000) and professional services (\$57,000).

\*Depreciation expense and voluntary payments to the Towns were on budget.

## 4) Cash: (Page 9)

\*Operating Fund balance was at \$6,799,898.

\*Capital Funds balance was at \$5,410,678.

\*Rate Stabilization Fund balance was at \$5,259,296.

\*Deferred Fuel Fund balance was at \$3,365,272.

### 5) General Information:

Kwh sales (Page 5) continue to lag behind last year's figure by 18.7 million kwh or 6.0%. GAW clean up paid expenses through November are over \$21,000.

## 6) Budget Variance:

All five divisions were under budget cumulatively by \$519,884 or 7.12 %.

# 7) Trends:

The fuel charge decreased in November from \$.0665 to \$.0615.

Dt: January 21, 2010

To: RMLB, Vincent F. Cameron, Jr., Jeanne Foti

Fr: Bob Fournier

#### Sj: December 31, 2009 Report

The results for the first six months ending December 31, 2009, for the fiscal year 2010 will be summarized in the following paragraphs. Overall, the year to date results are positive. The full financial impact of the GAW Substation incident is ongoing.

#### 1) Change in Net Assets or Net Income: (Page 3A)

For the month of December, net loss or the negative change in net assets was \$1,177,998 decreasing the year to date net income for the first six months to \$1,387,442. The budgeted net income for this period was \$1,472,998, resulting in net income being under budget by \$85,555, or 5.8%. \$1,020,000 of the \$1,387,442 net income is attributable to fuel revenues exceeding fuel expenses. Revenue projections were reforecasted again from the original budget resulting in actual figures being used for the period July through December, 2009, and reforecasted figures for the period January through June, 2010.

#### 2) Revenues: (Page 11B)

Due to the reforecast of revenue figures, there is no variance to report. Actual base revenues were at \$19.8 million.

#### Expenses: (Page 12A)

\*Purchased power base expense was \$292,700 or 2.1% over budget. Actual purchased power base costs were \$14.0 million compared to the budgeted amount of \$13.7 million.

\*Operating and Maintenance (O&M) expenses combined were under budget by \$330,000 or 6.1%. Actual O&M expenses were \$5.1 million compared to the budgeted amount of \$5.4 million. The major expenses that were under budget are energy audit expense and conservation (\$141,000), garage and stockroom (\$60,000) and professional services (\$80,000).

\*Depreciation expense and voluntary payments to the Towns were on budget.

#### 4) Cash: (Page 9)

- \*Operating Fund balance was at \$5,969,996.
- \*Capital Funds balance was at \$5,492,066.
- \*Rate Stabilization Fund balance was at \$5,260,033.
- \*Deferred Fuel Fund balance was at \$2,549,279.

#### 5) General Information:

Kwh sales (Page 5) continue to lag behind last year's figure by 21.3 million kwh or 5.8%.

#### 6) Budget Variance:

All five divisions were under budget cumulatively by \$342,731 or 3.87%.

#### 7) Trends:

The fuel charge remained unchanged in December at \$.0615.

Purchase Power Summary - November, 2009

Energy Services Division (ESD) has completed the Purchase Power Summary for the month of November 2009.

### **ENERGY**

The RMLD's total metered load for the month was 53,913,028 kWhs, which was a decrease of 4.30 % compared to November, 2008 figures.

Table 1 is a breakdown by source of the energy purchases.

January 14, 2010

Memo To: Vincent Cameron, Jane Parenteau, Robert Fournier

From: William Seldon US.

Subject: Revised FY 2010 Revenue Estimate

Attached is a Revised FY 2010 Revenue Projection. Total Revised base Revenues (exclusive of fuel) are estimated to be \$38,575,944. This is a base revenue reduction of \$1,256,650, or 3.16 percent compared to the approved FY 2010 budget of \$39,734,035. The revised Fuel revenue is projected to be \$42,169,048. This represents a \$289,835 reduction from the Purchased Power FY 2010 budgeted figure of \$42,458,883. Total revised revenues are projected to be \$82,652,556.

The Revised Revenue Estimate assumes the following:

KWH sales show a decrease as compared to the budgeted FY 2010 Revenue estimate in the School, Commercial and Industrial TOU off peak categories. This is based on 6 months actual kWh sales information. Also considered in the reduction of kWh sales were a reduction of cooling degree days over the summer monthly average by approximately 20 percent, a reduction in commercial kWh sales due to energy lighting retrofits as well as a decline in kWh sales due to current economic conditions.

Taking all of these factors into consideration the commercial kWh energy sales were reduced by 1 percent, the school demand and energy sales were reduced by one half of one percent and the industrial TOU off peak kWh sales were reduced by 2 and one half percent. These percentage reductions were incorporated for the remainder of FY 2010 (January 2010 – June 2010). The actual kWh sales, based on bill frequency were used for the first six months (July 2009 – December 2009).

The revised forecast assumes no rate increase in FY 2010.

Oil and Natural gas costs are based on indicative pricing as of 12/1/2009.

Customers by account type will remain steady at December 2009 levels.

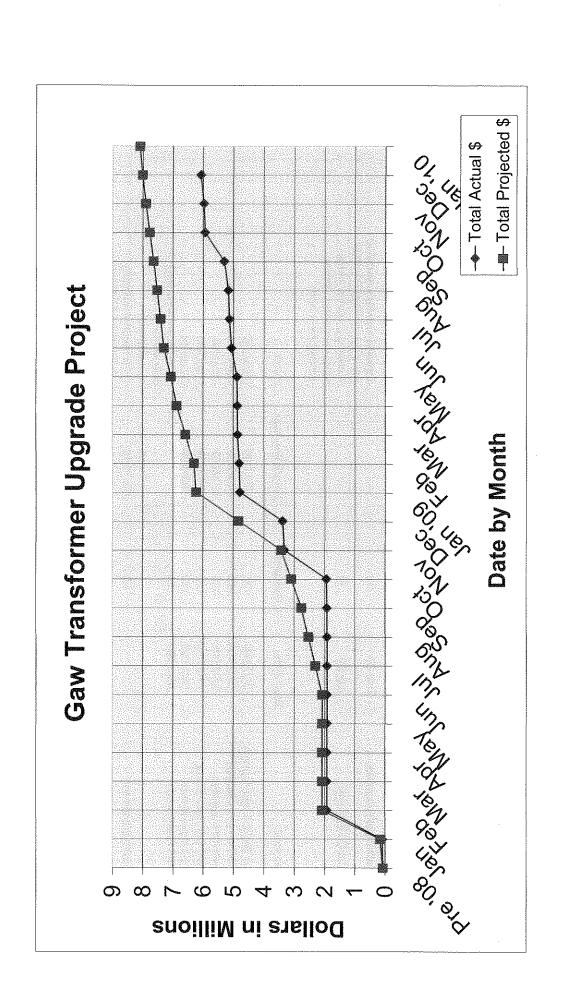

The attached spreadsheet breaks out the kWh sales and revenues by customer class.

# Reading Municipal Light Department Engineering and Operations Monthly Report December, 2009

# FY 2010 Capital Plan

### <u> 4 kV Retirement – Stepdown Areas</u>

- 1. Reading Project Complete.
- 22. Main Street Wilmington No activity.

### System Projects

- 2. Station #4 Getaway Feeder 4W30 Replacement Reading Underground work on Lowell Street including terminations, stress cones, bus insulation at switchgear, riser, and energizing.
- 3. Station #4 Getaway Feeder 4W17 Wilmington No activity.
- 4. Salem Street Area Wilmington Project Complete.
- 5. High Capacity Tie 4W18/3W8 Franklin Street Reading No activity.
- 6. Haverhill Street Reading/Lynnfield Performed make-ready work for new messenger and spacer cable; framed; installed anchors, sidewalk guys, pulling rope, and messenger.

### **URD Upgrades**

 URD Completions – Sanborn Village, Reading; Perkins Farm, Lynnfield; and Chestnut Village, North Reading - No activity.

# New Circuits and Circuit Expansions

- 8. Salem Street to Glen Road 13 kV Feeder Tie Wilmington Pole framing began on Cunningham, Beeching, and Faulkner.
- 9. Reading Center Main Street No activity.
- 10. Reading Center Haven Street No activity.

## Substation Upgrade Projects

- 11. Transformer Replacement Station 4 Reading
  - Part 1 Contractual Labor Invoices paid to Fischbach and Moore and Mark's Trucking and Rigging.
  - Part 2 Procured Equipment Sundry electrical equipment.
  - Part 3 RMLD Labor Relay panel relocations and control wire modifications; moving a transformer.
  - Part 4 Feeder Re-Assignment No activity.
- 23. 15kV Circuit Breaker Replacement Station 5 Wilmington No activity.

# **New Customer Service Connections**

- 12. Service Installations Commercial/Industrial Customers This item includes new service connections, upgrades, and service replacements for the commercial and industrial customers. This represents the time and materials associated with the replacement of an existing or installation of a new overhead service, the connection of an underground service, etc. This does not include the time and materials associated with pole replacements/installations, transformer replacement/installations, primary or secondary cable replacement/installations etc. This portion of the project comes under routine construction.

  Note: No commercial installations this month.
- **13. Service Installations** *Residential Customers* This item includes new or upgraded overhead and underground services, temporary overhead services, and large underground development.
- **14.** Routine Construction The drivers of the Routine Construction budget category YTD are listed. This is not an inclusive list of all items within this category.

\$102,056
\$249,914
\$98,145
\$43,537
\$40,242
\$11,318
\$56,421
\$14,058
\$4,460
\$38,306
\$70,949
\$729,406

<sup>\*</sup>In the month of December, 31 cutouts were charged under this program.

Approximately 15 cutouts were installed new or replaced because of damage making a total of 46 cutouts replaced this month.

29. Force Accounts – The Commonwealth of Massachusetts requires utility plant equipment relocations in conjunction with various roadway reconstruction projects.

No projects scheduled at this time.

# Reliability Report

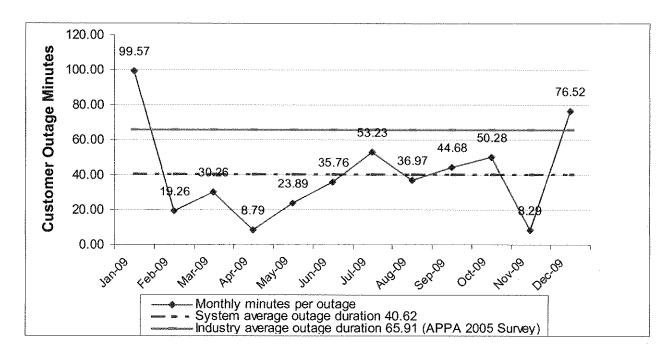

Two key industry standard metrics have been identified to enable the RMLD to measure and track system reliability. A rolling 12-month view is being used for the purposes of this report.

**Customer Average Interruption Duration Index (CAIDI)** – Measures how quickly the RMLD restores power to customers when their power goes out.

CAIDI = Total of Customer Interruption Duration for the Month in Minutes/ Total number of customers interrupted.

RMLD System CAIDI – 40.62 minutes Industry Average – 65.91 minutes per outage (APPA 2005 Reliability Survey)

On average, RMLD customers that experience an outage are restored in 40.62 minutes.

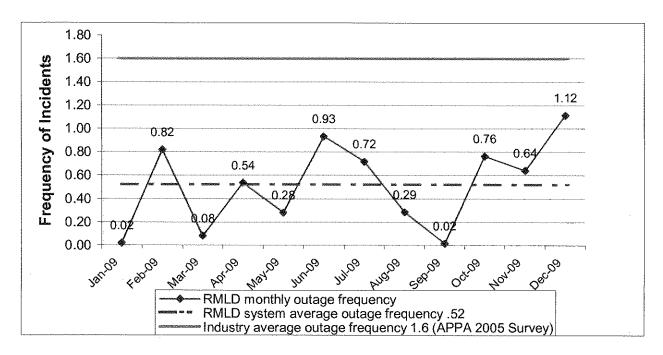

**System Average Interruption Frequency (SAIFI)** – Measures how many outages each customer experiences per year on average.

# SAIFI = Total number of customer's interrupted / Total number of customers.

RMLD System Average - .52 outages per year Industry Average - 1.6 outages per year (APPA 2005 Reliability Survey)

Top quartile performance for the industry is one outage or less per year. The graph below tracks the month-by-month SAIFI performance.

# Months Between Interruptions (MBTI)

Another view of the SAIFI data is the number of months Reading customers have no interruptions. At this time, the average RMLD customer experiences an outage every 23 months.
