Mr. Cameron gave the Commissioners an update of the recent LMS negotiations. He and Ms. Antonio met with the Line Meter Station (LMS) negotiating committee two times over the last couple of weeks and have reached a second agreement. The major difference from the first agreement, which was not ratified, is that the grievance that had been settled along with the elimination of step 5 of the Sr. Meter position are back in effect. In return, the sick time buy back for the LMS unit will be reduced from a recently negotiated 90-day cap to a 30-day cap for all new hires. The three-year financial package will be reduced by an additional ¼%. The annual schedule is 3.50%, 3.25%, and 3.25%.

Ms. Antonio reported that the Union has scheduled Friday, June 18 for a meeting with which to ratify the new agreement.
