

RMLD Residential Customer Data Sharing and Time-of Use Rate Agreement

This Data Sharing and Time-of-Use Rate Agreement is dated as of _____ DATE _____, between Reading Municipal Light Department (RMLD), and _____ CUSTOMER NAME _____, _____ CUSTOMER ADDRESS _____, _____ CUSTOMER ACCOUNT NUMBER _____ (Customer).

Customer seeks to participate in RMLD’s Electric Vehicle (EV) Charger Rebate Program. In exchange for receiving a rebate for a Level 2, Network Enabled¹ EV Charger, customer shall enroll in RMLD’s Residential Time-of-Use (TOU) Schedule A2 Rate² for a minimum of one year. Customer acknowledges that RMLD will replace their existing electric meter with a TOU meter within one week of receipt of this signed agreement at no cost to them, and that they will be moved to the TOU Rate as soon as the meter replacement is complete. Customer’s account shall be in good standing for a minimum of one year.

Customer also agrees to provide or authorize the EV Charger manufacturer or their vehicle manufacturer to provide RMLD with free access to their charging data. The customer charging data shall include:

- Date and time of plug-in activity
- Date and time of active charging
- 15-minute interval data of electricity usage and average power draw

Customer understands that RMLD desires to obtain EV charging data to evaluate collective EV charging patterns and their effect on the RMLD distribution system and to enable RMLD to mitigate energy cost impacts associated with peak demand. In addition, RMLD may use the data for educational and program management purposes as well as for improving future Rebate Programs.

Customer acknowledges and understands that Customer shall be responsible for repaying the rebate amount if any of the above conditions are not fulfilled.
