ADDITIONAL FEES AND CHARGES

Effective: July 1, 2016

**Connection Fee.** Please refer to Section 7.0 and 8.0 of the Service Requirements Handbook for more information on cost of service.

**Credit Disconnection / Reconnection Fee.** The Customer may be charged a disconnection / reconnection fee of $85.00 for meter shut-offs and $120 fee for pole shut-offs, where applicable, including temporary disconnections. The reconnection shall occur during normal business hours.

**Returned Check Fee.** RMLD may charge a minimum fee of $30.00 for each returned check. RMLD, at its option, may charge to the Customer the actual costs incurred by RMLD for each returned check.

**Temporary Service.** A $300.00 fee will be charged for temporary services that are within 100’ of RMLD’s overhead distribution system. All other temporary services will be charged based on RMLD’s estimated costs and shall be paid in advance.

**Overhead Rubber Insulation Fee.** The RMLD will install overhead rubber insulator sleeving at no cost to the Customer for up to a 30-day use. The customer must contact RMLD for pick-up; a per-diem rate of $4.50 applies to any usage days beyond 30 days.

**Meter Test Fee (Customer Requested).**
RMLD makes periodic tests and inspections of its meters to assure a high standard of accuracy. RMLD will perform an additional test upon the request of a customer and the receipt of a $85.00 test fee. If the test shows that the meter is accurate within the acceptable industry standard accuracy range, no adjustment will be made to the customer’s bill, and the $85.00 test fee will be retained by RMLD. If the test shows the meter to be outside the acceptable industry standard accuracy range, the Meter Test Fee will be returned, an adjustment to the bill will be made in accordance with RMLD’s procedure to correct billing errors for the overage amount, and the meter will be adjusted or replaced at no expense to the RMLD customer.
